

## EVENTS

Food | Experiences | Installations

Our life is a chain of moments. We see, taste, hear and feel to capture them and turn them into precious memories. Studio KNOL is a creative agency that works for corporate and cultural clients. By means of styling, spatial installations and food concepts, KNOL makes events into unforgettable sensorial experiences. To make them happen, we collaborate with a variety of builders, caterers and technicians.

Reach us at [contact@studioknol.com](mailto:contact@studioknol.com) for a custom proposal or come in for a free first consultation.
